

REMARKS/ARGUMENTS

This Response is in response to the notice of non-compliant amendment mailed June 10, 2010, and supplements the response filed April 12, 2010 in response to the office action mailed December 10, 2009.

The listing of the claims including claim 48 as amended as set forth in the response filed April 12, 2010 has been corrected as indicated above. More specifically, the incorrect underlining of the term “device” has been omitted and the incorrect inclusion of the lined out term “method” has been omitted. It is therefore respectfully submitted that the listing of the claims as amended is compliant.

Conclusion

For all the above reasons, Applicant submits that the pending claims are patentable over the art of record. Applicants have not added any claims. Nonetheless, should any additional fees be required, please charge Deposit Account No. 09-0466.

The attorney of record invites the Examiner to contact him at (310) 553-7970 if the Examiner believes such contact would advance the prosecution of the case.
